

# Scottish Open for The Icelandic Horse Track & Trail 2025      What To Use

1

Lead Corridor

2

Lead Rein Back

9

Ridden Corridor

10

Ridden Rein Back

Two poles/logs or two lines of cones/buckets to create a corridor, roughly 3 - 4ft wide.

3

Mount from a block

A mounting block or similar.

4

Neck Rein One Handed

8

Bending

Cones/barrels/buckets - Neck rein one handed set two 'cones' roughly 4ft apart to perform a one handed figure of eight around.  
Bending set the 'cones' roughly 3ft apart.

5

Bridge Crossing

Grass Mat or tarpaulin can be used or any other item that is safe for your horse to walk over.

6

Gate

Rope/tape/bunting suspended between two points, one end that you can open and close.

7

Jump

A raised pole/log or anything else that is elevated from ground level, it does not need to be high just safe for you and your horse to 'jump'.
